Prostate Health Cocktail Dietary Supplement

National Cancer Institute

Source

National Cancer Institute. *Prostate Health Cocktail Dietary Supplement*. NCI Thesaurus. Code C77860.

A dietary supplement consisting of a blend of 8 natural ingredients with potential antineoplastic and chemopreventive activities. This dietary supplement contains vitamin D3 (as cholecalciferol), vitamin E (as d-alpha tocopherol), selenium (as L-selenomethionine), epigallocatechin (green tea extract), saw palmetto (berry extract), lycopene, and the isoflavonoids daidzein and genistein. This combination preparation may decrease prostate cell growth and inhibit prostate carcinogenesis.
