

# Review of: "The Instances of Insomnia among Adolescents in High School Addicted to Online Games"

Subramaniyan Manochandar

Potential competing interests: No potential competing interests to declare.

The Paper is good.

Recommendation for acceptance

Some Queries are as follows:

1. If possible, Please mention the other type of games played by the Adolescents
2. There is any relationship existing between sex and duration of the game played
3. Please cite the following papers:
  1. Kaya, A., Türk, N., Batmaz, H., & Griffiths, M. D. (2023). Online gaming addiction and basic psychological needs among adolescents: the mediating roles of meaning in life and responsibility. *International Journal of Mental Health and Addiction*, 1-25.
  2. Nazari, N., Shabbir, M. S., Sevbitov, A. V., Sadeghi, M., & Griffiths, M. D. (2023). Psychometric evaluation of the Russian version of the Gaming Disorder Scale for Adolescents. *Current Psychology*, 42(16), 13754-13768.
  3. Ma, Y., & Gu, J. (2023). Internet and depression in adolescents: Evidence from China. *Frontiers in Psychology*, 14, 1026920.
