Dear Editor

Thank you for giving me the opportunity to review the manuscript entitled "Traditional phyto remedies used by the midwives for the treatment of uterine prolapse in district Kathua, JKUT, India". This manuscript seems to be a questionnaire based study performed in district Kathua, JKUT, India, where the traditional system of medicines are still being in use.

Specific comments:

1. Introduction is too lengthy.
2. Include inclusion & exclusion criteria in study.
3. Include units of UV in Table 3.
4. Rewrite conclusion.
5. Include some more recent references.
