The paper titles "Airbase Compatibility with Spatial Planning: A Case Study of Airbase Waterkloof (South Africa)" is well written. However, the journal should advise authors to provide line numbers for better review and suggestions.

Corrections to Abstract on first sentence at 3rd line, remove the repetitions (" and its national interest"). On same line after (SAAF) remove "as".

Line 4 (abstract can be rewritten for example as follows .....South Africa airspace from "unauthorized incursions and ensure public safety at airports".

"Thunderous" noise emissions are "harmful to living things specially animals"
