# Review of: "SARS-CoV-2 Virion: A Humane Debacle - An Analytical Approach"

Punitha Kumaresa Pillai

1. organization of the paper is good.

2. COVID 19 prediction is the role of this paper. How long time prediction is possible by using this method is not included. 1 day/1 month/1 year ahead??

3. can include below ref for more clarity.

4. P. K. Pillai, D. Durairaj, and K. Samivel, "Deep Learning–Based Forecasting of COVID-19 in India," Journal of Testing and Evaluation https://doi.org/10.1520/ JTE20200574

5. So many statistical parameters are available to validate prediction for example, MAE RMSE, MSE, MAPE, R number etc. Can include any of these.

6. Include any real data from your side and predict future pandemic prediction.

7. Some more recent references can be include with future prediction results.
