GAIA Level 3 Neonatal Death in a Term Live Birth

National Cancer Institute

Source

National Cancer Institute. *GAIA Level 3 Neonatal Death in a Term Live Birth*. NCI Thesaurus. Code C127980.

GAIA Level 3 Neonatal Death in a Term Live Birth is defined by three criteria: first, the infant must be live born; second, the gestational age must be greater than or equal to 9 months according to parent/ family member/delivery attendant (a GA level of certainty of either level two or three); third, the death of the infant within the first 28 days of life must be documented.
