Report of review on: Impact of Environmental Education on the Knowledge and Attitude of University of Benin Student toward the Waste Segregation.

1. Keywords should not be less than 5
2. The abstract should not be above 250 words that must include introduction, methodology, findings, conclusion and recommendations
3. The citation should be more current to know new trend in waste segregation
4. The empirical review could be a sub-topic under 2.0 instead of lumping it up with the introductory part
5. The reference page seems to be the cited works and not including works not cited which make it bibliography.
