

# Review of: "Revitalizing Key Conditions and Integrated Watershed Management Approach to Sustain Water Availability and Agriculture in Semi-Arid Regions"

Rebecca Alowo<sup>1</sup>

<sup>1</sup> University of Johannesburg

Potential competing interests: No potential competing interests to declare.

1. the structure is impressive.
2. the background, problem statement, and literature review are well written.
3. great articulation of salient water availability and water availability issues.
4. the article is neat.
5. the whole article is of the right length.
6. the references are not old.
7. can the authors add the methodology they used towards this piece of work?
8. Please use more figures/pictorials to make the article a great to read, a picture is worth a thousand words.
