

Review of: "The COVID 19 vaccine patent race"

Priyanka Kriplani

Potential competing interests: The author(s) declared that no potential competing interests exist.

There are grammatical mistakes. Language is needed to be more attention gaining.

Abstract must be improved. It is giving very less information.

There are spelling mistakes

In the abstract, the spelling of 'approval' is wrong

In the abstract, the results/conclusion of the review must be discussed

Introduction must be added

In phase 2, the word 'arrest' meaning is not clear

Date should be mentioned as October 25, 2016 in the phase 2 and phase 3. The format of date must be same throughout

With patent no, it is written family members? In phase 2

In phase 3, the 'P' of pneumonia must be small

In phase 3, the word 'synopsis' is not suitable

In phase 3, 'reports come' the line its meaning is not correct

References should be as per journal format. Must be corrected

Some of the references seem unauthentic, like references '8' and '12'. Try to check authentic sources. check all
