Potential competing interests: No potential competing interests to declare.

The title of the article is suitable. It is good research work on the relevant topic in developing country Zimbabwe which would be helpful for the policymakers and corporations. The abstract of the article is comprehensive.

The topic of the present study is an interesting topic and the paper is generally well written. The objective of the research paper is well addressed in the manuscript.

The present study has importance for the social as well as business community.

Each section of the manuscript covers the required contents. More current reference should be added in the literature review section.

This is a good manuscript, and I approve of its publication.
