Potential competing interests: No potential competing interests to declare.

1. Please do self-checking for proof-read, grammatically error or misspelled word.
2. Better if writer can avoid ABC or XYZ for company identity. Please be more specific e.g. "An Indonesian company that produce tools for machining"
3. Refer to point 2 above, please re-phrase the article title.
4. Refer to point 2 above please re-phrase wording in abstract line no.2:

"It focuses on ABC company as a case study..." to become

"It focuses in a company that produce machine tools in Indonesia as a case study..."

5. Refer to point 2 above, please re-phrase all wording in the article to replace "ABC company" to become "The Company".
6. Please add rank for each item in Table-1, so writer can put in the conclusion what is the rank#1 as the most priority to be done and what is the lowest rank as the less priority in order to enhance the business.
