# American College of Rheumatology Classification Criteria for Systemic Lupus Erythematosus

National Cancer Institute

## Source

National Cancer Institute. *American College of Rheumatology Classification Criteria for Systemic Lupus Erythematosus*. NCI Thesaurus. Code C121336.

The classification of systemic lupus erythematosus based on eleven criteria. Intended to be used as inclusion criteria for clinical studies, a person is defined as having systemic lupus erythematosus if any four or more of the eleven criteria are present, serially or simultaneously, during any interval of observation.
