

# Review of: "Narrative Medicine: Enhancing End-of-Life Care with Literary Stories"

Ayfer Karadakovan

**Potential competing interests:** No potential col reviewed the article titled "Narrative Medicine: Enhancing End-of-Life Care with Literary Stories". They discussed a very important issue, especially in supporting patients and their relatives in the end-of-life period. They interpreted the current literature information on the subject very well and made suggestions. Only for nurses. It was emphasized that end-of-life care and spiritual care are a broad area of responsibility.mpeting interests to declare.
