Potential competing interests: No potential competing interests to declare.

1. This paper ignores the literature review and an in-depth discussion on recent advances in the topic in the literature.
2. The bibliography may be improved, as there are 0 references from the year 2022 & 2023.
4. Justification of Intreval Type-2 Fuzzy controller should be justified.
5. What is the difference between the Intreval Type-2 Fuzzy controller and the controller discussed in "<https://doi.org/10.1007/s13369-021-05580-0>".
6. How to find out the Intreval Type-2 Fuzzy controller's parameters should be shown.
7. The conclusion of the paper should be revised by showing future research directions.
