Thank you for the opportunity to contribute to improving the manuscript entitled *A Comprehensive Examination of the Practice of Outsourcing within the Framework of International Business in the Contemporary Era of the 21st Century*, with the aim of examining the various forms, ramifications and consequences of outsourcing.

Abstract. Please inform that the methodology used was literature review.

Introduction: Please, before the research question is formulated, you should prepare the readers, writing some more information.

I invite the author(s) to think about this stated research question. The manuscript is more about impact and challenges than the concept of outsourcing being still applicable in the 21 st. century, or as you stated further "…this study aims to further explore the significance of the outsourcing business within the context of globalization."

2. The Comprehensive Analysis of Outsourcing
