# MB Redox Broth Growth Medium

National Cancer Institute

## Source

National Cancer Institute. *MB Redox Broth Growth Medium*. NCI Thesaurus. Code C128950.

A liquid and selective growth medium that is modified based on the Kirchner medium by the addition of a mixture of antimicrobial agents (typically polymyxin B, amphotericin B, carbenicillin, and trimethoprim) and colorless tetrazolium salt as a growth indicator, which is developed for the cultivation of mycobacterium.
