Review of Mohammad Saaida's Article 'Conflict Resolution Applications to Peace Studies

Reviewed by Professor (Dr.) Sujit Lahiry.

This article by Mohammad Saaida, 'Conflict Resolution Applications to Peace Studies,' makes very interesting reading. The author has done meticulous research in identifying negotiation and mediation as conflict resolution applications to peace studies. He conducted an in-depth literature review in this article and rightly identified the main gaps in the existing research. The author rightly pointed out that transformative conflict resolution applications can be the most useful approach to peace studies in the contemporary world. This reviewer recommends Professor Mohammad Saaida's article for publication in your esteemed journal, Qeios.
