**The article is well structured and written.** The research work carried out is comprehensive and is presented in a very structured, clear, objective, and concise manner. The framework and literature review clearly portray the subject of the study. The research methodology used is clearly presented. From the reader's point of view, the information is clearly presented and easy to read. The data are analysed and interpreted in a very clear and concise way. The conclusions are very comprehensive and detailed. The key findings and the final considerations are presented in a clear and direct way. And finally, the bibliographical references presented are adequate and up-to-date.

• **Recommendation to Editor** (Please mark "x" for the appropriate option)

- ☒ (x) Excellent, accept the submission (5)
- ☐ ( ) Good, accept the submission with minor revisions required (4)
- ☐ ( ) Acceptable, revisions required (3)
- ☐ ( ) Resubmit for review, major revisions required (2)
- ☐ ( ) Decline the submission (1)

The editor will forward the section below to the author/s

• **Evaluation** (Please evaluate the manuscript by grading 1-5)

5=Excellent 4=Good 3=Average 2=Below Average  
1=Poor

| Items                              | Grade |
|------------------------------------|-------|
| Contribution to existing knowledge | 5     |
| Organization and readability       | 5     |
| Soundness of methodology           | 5     |
| Evidence supports conclusion       | 5     |
| Adequacy of literature review      | 5     |
