

Review of: "What is the impact of COVID-19 era on annual tuberculosis notifications in India? A comparative study (2017-2022)"

Dhelal Ahmad

Potential competing interests: No potential competing interests to declare.

I appreciate the author, he discussed an important issue in the world, presenting data in good way

,I advise the author to add other reference like this one DOI: 10.31482/mmsl.2022.017

Do not start title from "what" better to say(the impact of COVID-19 era on annual tuberculosis notifications in India), in the reference 19 more than 6 authors you should italicize et al.
