

Peer Review

Review of: "Evolution of Occupational Health Risks Among Waste Incinerator Workers: A Four-Decade Review"

Abdullah Yasar¹

1. Sustainable development study center, Government College University Lahore, Pakistan

Paper should be accepted after minor revisions as follows:

Revise the manuscript for minor typos and grammar mistakes (see pages 4, 6).

Check for the minor formatting errors, specifically in tables 1 and 2 (merge the empty cells).

Table captions should be above the tables (see tables 1, 2, and 3).
