Potential competing interests: No potential competing interests to declare.

1. Improve the introduction part of the paper.
2. Strengthen the Theoretical Framework with a purview of previous studies.
3. Do not use in-text citations in the abstract, and also suggest to improve the language of the abstract.
4. Average credibility of used references is very weak.
5. Correct grammatical errors and typos.
6. The references should be in a uniform style or as per the guideline of the journal.
