# Dogue-de-Bordeaux

National Cancer Institute

## Source

National Cancer Institute. *Dogue-de-Bordeaux*. NCI Thesaurus. Code C53780.

The Dogue de Bordeaux is a short, stocky mastiff with a huge, heavy, broad, wrinkled head. The jaw is undershot and powerful. The short soft coat comes in shades of fawn to mahogany with a black or red mask and may have white markings on the tips of the toes and chest. The ears hang down. Height: 23-30 inches (58-75 cm.) Weight: 120-145 pounds (54.4-65.2 kg.)
