Dear Authors,

Your article titled "Business Model Innovation as a Structural Framework for Business Sustainability Growth: A Systematic Review" is very insightful. Please copy the work into a word processing software of your choice to easily detect spelling issues. Your plots are very vivid and contain useful information. Please check if all plots are cited within the work. Also, if the pie chart in Figure 5 does not show more than one category of data, please consider removing it and stating the information contained in the chart using a sentence. You have done a great job by using the Prisma framework to conduct a Systematic Review. Well done!
