Hafnidar A. Rani, Jurisman Amin, Ridha Syuhada, Muhammad Hafidz Mubarak, et al. (2024). Enhancing Supply Chain Management Risk Mitigation: A House of Risk Methodology Applied to Brick Manufacturing in Aceh Besar Regency. Qeios. doi:10.32388/FSJF2F.

The article presents research on supply chains in the brick production industry. The authors conducted an analysis to identify the causes of risk and determined its level. They also indicated ways to prevent risks. The article is properly constructed and well prepared in terms of content and editing. It brings interesting data to the field of risk management in supply chains.
