

Review of: "[Case Report] Supplementation with Vitamin D, Zinc, and Quercetin to Treat COVID-19: A Case Report"

Marwa Osama Elgendy

Potential competing interests: No potential competing interests to declare.

Thank you for the opportunity to review this work. I suggest adding the epidemiological part to the title. Last, if you agree with the following suggestion, I would like to add a timeline image to show the entire process of research and the study outcomes and I recommend accept this paper after minor revision.
