Few minor revisions are as follows:

1. Please check the sentence in third paragraph in Introduction section, i.e. "In this paper, we present an overview of our research and the developed dataset developed regarding sentiment analysis of opinions about online education during the COVID-19 pandemic in the KRI". Also, please check the complete article for any grammatical mistakes.
2. Please clearly specify the authors' contributions in introduction section, separately.

The article is scientifically acceptable and having good insights in terms of presentation, algorithms, and results.
