Potential competing interests: No potential competing interests to declare.

1. Is this a project proposal or a research paper? The title is called Startup Project Development but the paper says research. It's a bit misleading. Please use the proper terminology(ies) to describe the paper.
2. Please update the references using only from 2018 (not more than 5 years) to make it more accurate.
3. What is the research methodology used?
4. State the problem(s) in abstract
5. Please improve the structure of the paper with the following:
 1. Introduction
 2. Methodology
 3. Problem Statement
 4. Proposed Solutions
 5. Results and Discussions
 6. Conclusions
6. Pre-Trip, Midway, and Post-tip. It would be better to use a different term other than Midway.
7. *Five-stage Design Thinking model proposed by the Hasso-Plattner Institute* > Where are the steps? Couldn't find it in the document
8. *We also use the 9 elements contained in the Business Model Canvas to analyze the business model Triplanner will run in the future, Porter's Five Forces model* > Where is the results?
9. Figure 3.1 is not propotional, please fix it
10. What is the research limitations?
11. What is the research implication?
12. Please add future work.
