1. Please consider replacing the citations with current ones. Cite articles published the last 3-5 years. The seminal article which could be dated many years ago can also be cited TOGETHER with the current.
2. Please include the theory underpinning the research model.
3. Please describe the theoretical linkages of the mediation framework in hypothesis development.
4. Please explain what a combined model is.
5. Sources of questionnaire items should be cited and the items appended. Questionnaire items should be in the appendix.
6. Uganda Manufacturers Association's membership report 2011/2012. Is there no current list for years 2020 through 2022?
7. Please include Limitations and Future Research

Best regards.
