

Review of: "Food and Feeding of Atlantic Mudskipper *Periophthalmus Barbarus* in Ogbo-Okolo Mangrove Forest of Santa Barbara River, Bayelsa State Niger Delta, Nigeria"

Yanne Mendes

Potential competing interests: No potential competing interests to declare.

The present work presented information about the diet of *Periophthalmus barbarus*. The study presented relevant information but needs many adjustments for publication. I made some suggestions in the text, and the document is attached as supplementary material. I recommend publishing only after the suggested corrections.
