Contract Principal Investigator

National Cancer Institute

Source

National Cancer Institute. *Contract Principal Investigator*. NCI Thesaurus. Code C51817.

A scientist or health care professional that has a financial agreement, as outlined in a binding statement of work, with the sponsor to bear full and ultimate responsibility for the scientific, administrative, ethical, legal, technical, and fiscal aspects of the study, and for day-to-day management of the scientific project, as well as for documenting and reporting its results.
