

Review of: "First Days after Death - A Jungian Comparison between the Beliefs of the Serbian Orthodox Church and the Post-mortem Experiences in the Tibetan Bardo Plan"

Veenat Arora

Potential competing interests: No potential competing interests to declare.

The author has attempted to bridge the dichotomy between eastern and western thought. The similarities between afterlife journey of soul prescribed in the Bardo Thodol and Serbian Orthodox Christianity are well explained and Carl Jung's psychological approach to the same has been well articulated. The article is well presented but the in-text referencing is missing.
