

Review of: "[Viewpoint] World Immunization Week: Immunization of Healthcare Workers – A reminder"

Giorgio Mario Cortassa

Potential competing interests: No potential competing interests to declare.

Good short article on a relevant topic. If the target is (as I imagine) to empower more preventive vaccinations against the more common treats faced by the health workers, it will be usfeul to add a short summary upon the effectiveness of the vaccinations; e.g. a short summary similar to this one: <https://www.nejm.org/doi/full/10.1056/NEJMc2101951>
