

Review of: "Grid-secluded Induction Generator with ANN and Intreval Type-2 Fuzzy based Controller for Wind Power Generation with Smart Load Control"

Dr. Bibhu Prasad Ganthia¹

¹ Indira Gandhi Institute of Technology

Potential competing interests: No potential competing interests to declare.

1. Lack of literature survey.
2. Add more results and justify the application of Type II FLC and ANN.
3. Author did not give mathematical expressions and explanations on Fuzzy and ANN.
4. Results are not explained briefly.
5. Add a sub heading discussion and give numerical results for the validation of the proposed work.
