Thank you for providing me with the opportunity to review the intriguing article, "Pairing Peer Education and Social Media for Adolescent Smokers with Disabilities." I found the content to be highly engaging and thought-provoking.

In terms of constructive feedback, I suggest explicitly stating the aim of the article at the beginning for enhanced clarity. This addition will provide readers with a succinct overview of the article's focus and objectives.

Additionally, I recommend incorporating a brief paragraph outlining potential solutions. This inclusion would contribute to the comprehensive nature of the article, providing readers with a more holistic understanding of the subject matter.

I appreciate your dedication to producing quality research and hope these suggestions prove valuable in further refining your already compelling work.
