Review of: "Exploring the Significance and Medicinal Potential of Rubus fraxinifolius: A Review of Ragimot Wildberry"

Dina M. Eskander

1 National Research Center, Egypt

Potential competing interests: No potential competing interests to declare.

1- Good information about Rubus fraxinifolius, including its nutritional composition, medicinal properties, and cultivation efforts, but too short a review

2- It includes general information about the properties of rubies without showing the differences between its species
