

Review of: "On the Resilience of Urban Real Estate Development"

Linyan Wang

Potential competing interests: No potential competing interests to declare.

The author thinks about the impact of the COVID-19 on the real estate industry, focusing on the socio-economic, individual people and the private sector, and analyzes the specific decisions that should be made after the impact of different housing conditions. However, the author lacks analysis of policy recommendations tailored to different situations, and it is recommended that the author supplement them.
