Thank you for reviewing the paper " Safe City Concept in Smart City Planning". This paper intends to applies the um estudo teórico em torno do conceito de cidades seguras.

The topic is relevant and interesting but the contribute of the paper is questionable.

The presented methodology has a great potential in management and decision making, so this topic in important for investigation. The strengths of this paper are: Relevant topic and Flow of the paper. However, the author(s) need to consider the following points as limitation or further scope for refining the paper:

-Metodologia deve ser aplicavel, nota-se que a mesma não apresenta um passo a passo.

-Resultados são explicados de forma resumida e não apresentam dados relevantes.

How the method can address those implications need to be included.
