

Review of: "Coronary Artery Bypass Graft Surgery Clinical Quality: A Network-DEA approach"

Fatemeh Bahramian

Potential competing interests: No potential competing interests to declare.

Introduction:

In the introduction section, write a little more about the selected surgical method.

The introduction is very long. It will be better if you make it more concise.

Methodology

Mention the code of ethics

Results

It is better to bring the demographic table as well

Discussion

Please explain more about the implication of this study
