The work is appreciated; please, consider the suggestions here included in order making the manuscript more clear and accessible to broader audiences.

- (1) An explanation shall be given at the first occurrence of INSTC.
- (2) Reviews of existing studies should be added to analyze the current views of other researchers on INSTC.
- (3) The contribution of this study should be highlighted.
- (4) The table can clearly explain the differences between the Belt and Road Initiative and INSTC.Declarations
