

# Review of: "The Importance of Business Model Innovation for Ensuring Business Continuity: A Case Study of PT. Metrodata Electronics Tbk."

Pavel Vitliemov<sup>1</sup>

<sup>1</sup> University of Ruse Angel Kanchev

Potential competing interests: No potential competing interests to declare.

The grammar in some paragraphs can be better punctuated to improve the flow of reading to enhance the understanding.

The authors can present a graphical or a step-by-step flowchart of the presented "Execution Plan for Changes Project" in chapter 4.

The authors should discuss their findings in comparison with similar studies in the field to pinpoint the novel scientific contributions of the article.

The authors can focus on possible suggestions for further research.
