Potential competing interests: No potential competing interests to declare.

- The discussion and comparison with relevant international studies are limited.
- The paper contains words, tables and figures. So, its size is more than 13200 equivalent words. The limit for original papers in this journal is 8000 equivalent words.
- Some references in the list are incomplete (e.g, vol, issue, pages, etc. are missing). Also, DOI number is needed everywhere. The format of the reference list is not that of the journal.
- The guidelines to the authors are not followed in formatting the paper according to the journal's style.
- English needs significant improvement.
