Dear Authors,

Your article is very interesting and well-written. I did not find any mistakes in the text.

I have a few suggestions for your paper:

1. In the first paragraph, "Italian Tourism: Scenarios and Trends," you claim that a 1% increase in first-time cruisers is expected. This is based on what sources? Please mention the source.
2. Please add a MANAGERIAL APPLICATIONS section before the conclusions of the paper.
3. Similarly, kindly add a LIMITATIONS OF THE STUDY section after the conclusions.
