Potential competing interests: No potential competing interests to declare.

- Kindly add state-of-the-art literature survey.
- Adhere to the journal template and citations.
- Kindly add block diagram that better describe the method.
- Try to elaborate on the methodology used for Delphi consensus mechanism. Also, try to include the criteria for selection of experts, total rounds, and the validation of the proposed approach.
- Add comparison with the state-of-the-art approaches.
