A heart of my hometown. Short location from a “river” to “river”. It is not more than one kilometer, indeed less than 500 hundred meter. If a traveller acroos between Maros-Bone, they will see on left side Warung Mandiri. Before, there was “restaurant”, it was Raodah, named after a daughter of H. Suardi Wekke and Siti Maemuna. One of the famous one is H. Lantar. Therefore, the street name is Jalan Haji Lantara.
