Dear Authors,

Thank you for inviting me to review this manuscript (MS). I am pleased to have contributed to its improvement and to the overall quality of *Qeios*.

I have identified some minor issues in the MS, but I have provided corrections and inserted comments in the attached PDF file. With these significant adjustments, I believe the MS can be reconsidered for publication.

Therefore, my recommendation is to reconsider the manuscript after minor revisions. All of my suggestions and corrections are noted directly in the attached PDF using tracked changes.

Sincerely,

Gleison Desidério
