Dear prof

First of all, thank you for giving me this chance to be a reviewer for this paper .

After i read the paper i think it need to make the following

1. this paper is good and need to add recent articles above 2020 related to this topic.
2. Explain why there is 4 objectives and 6 hypothesis.
3. There is need to add a background about the women entrepreneurs business performance in Arba Minch Town, southern Ethiopia as separate section .

good luck
