Review of: "Mitigating the Negative Emotional Effect of Workplace Ostracism on Knowledge Hoarding in Hotel Employees: Beneficial Roles of Core Self-Evaluation and Proactive Personality"

Lakhi Muhammad¹

1. Management Sciences, Shaheed Zulifkar Ali Bhutto Institute of Science and Technology, Pakistan

The manuscript is well written. However, a table may be inserted which presents the summary of hypotheses with decisions.

To evaluate discriminant validity, more rigorous methods exist. In the limitation section, this limitation may be acknowledged.

Practical implications may be strengthened by considering the hotel industry instead of employees in general.

Overall, the manuscript is well written and has theoretical and managerial contributions.
