Improve Abstract and Conclusions.

Try to write all the text in a justified way for a better appearance;

Suggestion: Instead of typing PT.Metrodata Electronics.Tbk., just type the first time and then call PT.Metrodata Electronics.Tbk (ME), the other company PT.Anabatic Technology.Tbk. (AT). Afterwards, just name company ME and company AT.

The reference (Hartt, 2020) has the wrong year;

The term "Design of Change" appears after Section 3. Was it a section? This needs to be improved.

I don't know if the writing is correct, but I saw a comma or apostrophe after the dot (is this the best way?). Example PT.Metrodata Electronics.Tbk.'s;

I didn't see the Investor Academy Indonesia reference. (2022) quoted in the text;

I didn't see the last two Yahoo Finance references cited in the text;

Few references. Put the references in comments regarding the table.
