Brittany Spaniel

National Cancer Institute

Source

National Cancer Institute. *Brittany Spaniel*. NCI Thesaurus. Code C53879.

The Brittany is a vigorous, medium-sized, leggy dog with a fairly short, lightly feathered single coat. Coat color may be orange and white, liver and white, black and white, liver tri-color, and black tricolor. The high-set ears are rather short in a triangular shape, slightly fringed and hanging close to the head. Height: 17-21 inches (43-53 cm.) Weight: 30-40 pounds (14-18 kg.)
