A brief overview on COVID-19 and its comparison with SARS, MERS, and H1N1

- 1) What are the new highlights of the manuscript?
- 2) Provide a more suitable title.
- 3) Provide tabular depiction of the various variants of COVID.
- 4) Conclusion is not correlating with abstract . Rewrite.
- 5) Explain figure 1 and figure 2 .
- 6) What is the motivation of comparison , Justify

Rest seems fine.
